

**NEATISHEAD BAPTIST CHAPEL
RECORDS OF BIRTHS FROM AN EARLY MINUTE BOOK 1801- 37**

**This List was compiled in Summer 2011 as part of the Church's
200th Anniversary "Past Meets Present" records.**

The Records of Births (to 1837) and Burials (to 1857) are in what is believed to be in the handwriting of William Cubitt, one of the founders of the church. This is perhaps confirmed by the fact that the Writer knew where the births of all the Cubitt children had taken place.

- *There is a note that these Births were registered at Neatishead St Peters, the Parish Church
- ** These births were registered at Worstead Chapel (*now called Meeting Hill*)
- *** These births were “registered in the Baptist Registry of St Clements, Norwich, the congregation formerly meeting in St Pauls Baptist Chapel, Norwich”
- **** The recording of Births finishes in May 1837, whereas Burial records continue after that date. A note in the Minute Book in mid-1837 says “The following [*ie entries after that point*] have not been sent to London”, presumably due to a change in Registration processes.
