

NEATISHEAD BAPTIST CHAPEL – GRAVESTONES
Listed by Location

Notes.

1. Some gravestones are completely indecipherable. The information is to the best of our knowledge as accurate as possible, but without inspecting the burial records [most of which have been lost], some inscriptions are the only means of identification.
2. There are separate Tables of an Alphabetical List of Gravestones and a List of Inscriptions.

<i>Additional information: No gravestone is extant for William Spurgeon who is commemorated on a plaque inside the chapel. This refers to Ann and Sophia and tells us that William was the first pastor of the church and worked here for 42 years until his death aged 75 on April 1st 1861. The plaque also refers to his second wife Elizabeth who died aged 81 on January 20th 1864. (Note- as worship in the chapel started in 1811, presumably William retired from office after "42 years" about 1853)</i>
